der Weg zu deiner Seelenessenz

**It is been taken care of you - always!**

There might be times during your growing process where things might feel heavy and you are not sure to be strong enough to carry it all by yourself. But you don't have to as the universe is always taking care of you.

If things are too heavy, be sure that someone will be sent to support you, so things aren't heavy anymore and you can keep growing even more.

If you need a bridge to cross over, be sure the universe is building one for you. If you need a hand, be sure the universe is giving you one - open up to receive - „ask and it shall be given to you“ in all its process and divine timing.

Be faithful, be grateful - it is been taken care of you - always!

Love  
Solange
